Hello Auxiliary members,

This is the last bulletin you will receive from me as the out-going president. It has been a fun and exciting year for me and I hope for you, as well. I managed to attend at least one meeting in all eleven districts and I was extended a warm welcome at each. I am so happy to be able to report that all eleven districts are working hard to reach our auxiliary goals. I am so proud of the many accomplishments all of you have made this year. We have donated our time, money and love to our veterans, military men and women, their families, area children and we have been an encouragement to each other.

I would like to extend a special thank you to Districts 4, 5, 6, 7 and 8 for stepping up and hosting the conferences, convention and the receptions. Those were some big responsibilities and you did a fantastic job. I would be remiss if I did not say that our 2010-2011 officers and chairman deserve recognition and kudos for the outstanding jobs they did to help make this past year such a success! I also want to thank everyone who helped with my special project, Diabetes. We have, at last counting, amassed \$8,815.43 to help to find a cure for this insidious disease. And, above all, I wish to thank every American Legion Auxiliary member for your dedication and devotion to our programs and purposes. You are the backbone of our organization.

By the way, if you have pictures that were taken at the conferences and convention that include National President, Carlene Ashworth or Southern Division Vice President, Pat Knight, please either e-mail or snail-mail a copy to me so that I may bundle and send them to National. We just may see some of the pictures in the magazine or at the National Convention.

I hope that you are making plans to attend the National Convention in Minneapolis, August 26 – September 1, 2011. The sessions are enlightening and we hope that Kentucky is showcased for some of our many accomplishments. Even if you are not a delegate, there are plenty of seats in the visitors sections. While in Minnesota, there are several opportunities that you may want to look into. There is a special ticket offer to attend the Minnesota Vikings game on Saturday, the 27<sup>th</sup>, an August 26<sup>th</sup> baseball game between the Minnesota Twins and the Detroit Tigers, and a host of tours, cruises and of course, shopping. If you want more information, call Department and Betty Lou will

assist you. We also hope to have a big showing for Kentucky in the convention parade on Sunday, so bring comfortable shoes and walk with us.

The delegates who are slated to attend the 2011 National Convention in Minneapolis, Minnesota by virtue of office are: Barbara Austin, Betty Lou Cook, Kathy Daudistel, Lois Hall and Virginia Hobbs. Those who were voted upon at the Department Convention are: Diane Spencer, Mary Lou Chester, Bonita Robey, Lana Goley, Eula Fox, Janet Klapheke and Patsy Klein. Alternates are: Alica Buser, Jerilynn Kabel and Karen Toll.

Speaking of conventions, Kentucky's Department Convention, June 2, 3 & 4, 2011, in Louisville, was cram-packed with a much larger agenda than we could leisurely accommodate. Several of our visitors did not arrive on Friday as planned, and instead showed up on Saturday, but we managed and everything turned out well. We held our election of officers and we enjoyed visiting with our Southern Division Vice President, Pat Knight. For those of you who could not catch a glimpse of our gifts to her, we gave her a beautiful desk figurine of a thoroughbred holding a clock under its front feet. In keeping with the Kentucky tradition, we also sent her back to Virginia with a KFC chicken and a miniature Louisville Slugger bat. Mary Lou Chester was the lucky recipient of the Past Department Presidents/Commanders quilt; we also raffled a beautiful U of K quilt made and donated by Deanna Shortt and a U of K fleece blanket donated by Man O' War, Unit 8. The auxiliary donated to Locks of Love, the pony tails of John Locke and his son, Dennis. Thank you to all who donated their treasures. While we took care of auxiliary business, we even managed to shower our hard-working, retiring Secretary/Treasurer, Betty Lou Cook and her side-kick, Janet Pickett, with gifts of love.

The *piece de resistance* of our 2011 Department Convention was the installation of our 2011-2012 department officers. All the officers, district presidents and Department President, Lois Hall were dressed in gowns of pale green. We were quite the fashion plates! I'll wager that we'll see some of these dresses at the States Dinner in Minneapolis.☺ If you were not at the installation, you missed Lois' charming family. Her daughters and sons exhibit quite the humorous streak! I wonder where they got that?

Allow me to leave this thought with you: please remember, we cannot make progress if we are working against each other. You know that the loudest criticism of someone's methods usually comes from those who don't put forth the effort to tackle a task. As the famous publisher, Malcolm Forbes said, "*It's so much easier to suggest solutions when you don't know much about the problem.*" And, President John F. Kennedy said, "*Too often we enjoy the comfort of opinion without the discomfort of thought*". Keep in mind the motto of our state, **United We Stand, Divided We Fall**. If we are working together with our vision fixed on a positive outcome, we are too tired to bicker and fuss! We will never all agree on any one method or **plan**, but we do need to **plan** to keep our auxiliary's membership strong!

I know you "**Believe**" and "**I Hope You Dance**".

**God bless America and God bless our men and women in uniform.**

Keep on “Cheering, shaking your POM POMs, and ringing your cow bells. Make plenty of noise for Kentucky at National.

*Your 2010 – 2011 Membership Team: Bobbi Lockwood, Linda Norton, Eula Fox, Patsy Klein, Patty Martinez And we couldn't have done it without Secretary Betty Lou Cook and Assistant Janet Pickett and our President Barbara Austin was the greatest and I do thank you!*
