Remember the American Legion Auxiliary is the sponsoring organization, but a contributing organization, bank, individual, business, or civic organization, may contribute toward sponsoring a delegate for ALA Kentucky Girls State. However, the Unit must have final approval of the delegate. The contributing sponsor must make their check payable to your Unit. The Unit writes all checks for ALA KGS.

Please call your participating schools and make an appointment with their guidance counselor, government department head, or JROTC instructor. They can be most helpful in selecting the girls that best fit our criteria. Remind the schools that the final selection will come from the participating ALA Unit.

Additionally, participation will be limited to 8 participants per school or 10 percent of the total registration of the ALA Kentucky Girls State Program, whichever is greater. The calculation of 10 percent will be based upon the number of participants enrolled as of May 25, 2018.
